

Order Code: XCBOL9WW
9W - Exterior Bollard - 3000K - Anthracite Grey

Features

- Suitable for gardens, hotels, pubs and walkways
- Surface mounted via separate base plate [supplied]
- Low energy LED module for reduced running costs
- Up to 63 lumens per watt efficacy

Construction

- Die-cast aluminium body finished in Anthracite grey
- Supplied as standard with warm white [3000K] LED

Technical Data

General		Electrical	
Luminaire Wattage (W)	9	Rated Input Current (A)	0.04
Weight (kg)	1.20	Power Factor (pf)	0.94
Operating Temperature (ta °C)	0 to 25	Input Voltage Range (VAC)	198-264
Light Output		Inrush Current Peak (A)	13
Lumens (lm)	570	Surge Protection (kV)	1
Efficacy (lm/W)	63		
LED			
CCT (K)	3000		
CRI	84		
Driver			
Driver Current (mA)	350		
Forward Voltage (V)	21		

Order Code: XCBOL9WW

9W - Exterior Bollard - 3000K - Anthracite Grey

Dimensions

C (mm)	500
Dia. (mm)	90
